International Guarantee

INTERNATIONAL LANGE GUARANTEE

The following applies to watches sold or presented for guarantee service in any country except the United States of America and Canada (for the USA/Canada, see Limited International Lange Warranty).

This watch has been made according to the strict quality standards of Lange Uhren GmbH and with all the care of highly qualified watchmakers. Nevertheless, should this watch prove defective, please submit it to an authorised Lange retailer or directly contact one of the Lange Service Centres located around the world; only the aforesaid are authorised to provide guarantee service as defined in this International Lange Guarantee.

We guarantee this product against all material and manufacturing defects for two years after the date of purchase. Thereafter, any repairs will be subject to a service charge. In order to benefit from this International Lange Guarantee you will be required to present this book with the Lange guarantee seal duly completed, dated, stamped and signed by an authorised Lange retailer.

This International Lange Guarantee does not cover defects and damages due to loss, theft or fire. Nor does it include defects and damages resulting from deliberate misuse or negligence, or from accident. Further, this International Lange Guarantee does not cover defects and damages caused by improper use (knocks, dents, crushing, etc.), normal wear and tear, alteration, dismantling or repair by anyone other than a Lange Service Centre or the use of components

other than those recommended by Lange. This International Lange Guarantee also excludes watches with the serial number removed. Any work on the watch may only be undertaken by one of the authorised Lange Service Centres for the guarantee to remain valid.

This International Lange Guarantee gives you specific rights; you may also have additional rights that vary from country to country.

REVISION GUARANTEE

Lange guarantees, according to the terms and conditions of the International Lange Guarantee, all parts worked on during a revision carried out by the Lange manufacture or by an authorised Lange Service Centre, for two years after the date of the invoice. This guarantee does not cover defects and damages excluded by the International Lange Guarantee and the Limited International Lange Warranty for the USA and Canada.
