LIMITED INTERNATIONAL LANGE WARRANTY

The following applies to watches sold or presented for warranty service in the United States of America and Canada only.

This watch has been made according to the strict quality standards of Lange Uhren GmbH and with all the care of highly qualified watchmakers. Nevertheless, should this watch prove defective, please hand out your watch to an authorized Lange retailer or directly contact one of the Lange service centers located around the world; only the aforesaid are authorized to provide guarantee service as defined in this Limited International Lange Warranty.

We guarantee this product against all material and manufacturing defects for two years after the date of purchase and we will repair or replace any defective watch or part free of charge subject to the right to charge for shipping costs. Thereafter, the repair will be as well subject to a service charge.

In order to benefit from this Limited International Lange Warranty you will be required to present this book with the Lange guarantee seal, duly completed, dated, stamped and signed by an authorized Lange retailer.

Except to the extent prohibited by applicable law, this Limited International Lange Warranty shall be the exclusive manufacturer warranty. Neither this Limited International Lange Warranty nor any other warranties, whether express or implied, including, but not limited to, any implied warranty of merchantability or of fitness for any particular purpose, shall extend beyond the period of twenty-four months from the date of purchase.

The liability of Lange is limited solely and exclusively to repair or replacement as stated herein.

Lange shall not be liable, by virtue of this limited warranty or otherwise, for any loss or damage arising out of the use of or inability to use this watch or for any incidental or consequential damages relating in any way to this watch.

Some states, provinces or territories do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

This Limited International Lange Warranty does not cover defects and damages due to loss, theft or fire. Nor does it include defects and damages resulting from deliberate misuse or negligence, or from accident. Further, this Limited International Lange Warranty does not cover defects and damages caused by improper use (knocks, dents, crushing, etc.), normal wear and tear, alteration, dismantling or repair by anyone other than a Lange service center or the use of components other than those recommended by Lange.

This Limited International Lange Warranty also excludes watches with the serial number removed. Any work on the watch may only be undertaken by one of the authorized Lange service centers for the warranty to remain valid.

This Limited International Lange Warranty gives you specific rights, and you may also have other rights which vary from State, Province or Territory to another.
